

Dear Friends,

Thank you so much for caring about children. Your support has helped many children who have suffered from abuse, neglect and abandonment.

Kids like Tina (8) and Helene (10), sisters who were removed from their homes due to abuse or neglect and were placed in an Ettie Lee foster home. They will remain in a caring foster home until it is determined if it is safe to return to their parent's home. In the meantime Tina and Helene will receive the love and care they deserve. Please consider [making a year-end gift](#) to help care for even more children in 2011.
