### Talent Show A Success

Staff and residents put on a great talent show at our charter school in Pomona on June 24th. Master of Ceremonies Michelle Quevido did a fantastic job of presenting the acts and providing the one liners. Staff members Rick Myatt performed a "heartfelt" tribute to his puppy and the duo of Michelle Chiappone (singer) and Jennifer Yang (cellist) performed the theme to Disney's Beauty and the Beast. This was followed by the residents whose talents ranged from original poetry readings to rapping and drawings...and many young men even got in some very funny staff impersonations!!!

Great job all!!! It was touching, entertaining and delightful to see the residents in such good form.
