Foster Parents Needed

Foster Parents Needed

Do you know anyone who is interested in becoming a foster parent? Help Ettie Lee recruit foster parents by referring a potential foster parent. They can be a friend, a relative or an acquaintance. Once they become fully certified and a child is placed in their home, YOU will receive a \$300.00 bonus.

All you have to do is refer them to the agency and be sure they give us your name. That's it! We will do the rest.

If you have additional questions, please contact

On October 18, 2011, Ettie Lee was one of 2,163 schools/day programs across the United States that made new friends at lunchtime. As part of Teaching Tolerance, a project of the Southern Poverty Law Center, MIX-IT-UP is about celebrating the differences that make the human race, and participants were urged to break out of their comfort zone today and mix it up -- to knock down social barriers and shake up cliques.

Beth Gramling, LMFT and Ettie Lee's Director of Intake and Probation Liaison, remarked that, "Any time we can discuss the importance of building self confidence with the young men in our care we are willing. It was one more opportunity where the young men could practice interacting in socially appropriate ways. Plus the young men were introduced to a much broader community than their own."
